

TLC Summer Camps

June 15 through August 21, 7am – 6 pm

Cost:

\$500/month

\$130/week

\$30/day

June 15-19

Cooking

Breakfast, lunch, dinner, and of course, desserts. It's time to jump into a commercial kitchen and learn to prepare your own delicacies.

June 22-26

Woodworking

We're talking power tools here, as well as the skill and craftsmanship to complete your own woodworking project.

June 29 – July 3

Survivor!

Outdoor education camp has never been so fun. Learn about the outdoors while honing your survival skills. Camping, fly fishing, horseback riding, hiking, and building shelters.

July 6-10

Science Rocks!

A week of exciting science activities, as only The Learning Center can present... inventive, engaging, hands-on experimentation in electronics, robotics, chemistry, wild biology, and quite possibly things that go BOOM! The week ends with a field trip to Mobius Science Center in Spokane.

July 13-17

Artists Week

Learn to create your own art projects in a variety of media.

July 20-24

Extreme Sports Camp

Our extreme sports camp introduces you to rock climbing, mountain biking, archery, skateboarding, and the challenging events in Track & Field like the javelin and pole vaulting.

July 27-31

Amazing Animals!

Learn about and see the exotic, the dangerous, and the beautiful world of animals. We'll also support Animal Haven, the upcoming home for animals in our own community that need our help. The week ends with a field trip to Cat Tales Zoological Park.

August 3-7

Splish Splash!

This fun filled water week will include trips to the Moscow Aquatic Center, and Snake River. Get ready to get wet!

August 10-14

Forensics Camp

Join us for a week of detective work, using forensic science to solve a crime.

August 17-21

Cougar Country – Celebrating Our Community

We'll take an inside and rarely seen look at the business of our town... be a WSU Cougar for the day, be a Palouse farmer riding the big combine, or... who do YOU want to be?
